

Ultimate Presentation Skills

ENGAGE and **INSPIRE** your audiences

Take your **PRESENTATION SKILLS** to the next level and **WOW** your clients and stakeholders as you deliver your next presentation. What's the cost of your message not being heard? If you are not getting consistent results now is the time to invest in developing the skills and techniques to **ELEVATE** you to a charismatic, confident and inspiring presenter.

TRANSFORM your presentations by learning cutting edge tools, get hands on experience and start to deliver results that speak for themselves.

This workshop will give you the tools, techniques and practice to:

- Master the four essential ingredients of great presentations
- Engage and Inspire your audience
- Capture 100% of your audience by adapting your presentation to all learning styles
- Expand your vocal flexibility
- Overcome fear and nerves

Your Presenters:

Manuela Amgwerd, Confidence Coach and NLP Master Practitioner and Liz Fritzlaff, Results Coach, NLP Master Practitioner and Teacher have combined cutting edge presentation skills with practical and easy to use exercises that you can incorporate into your professional and personal life.
